We exist to help prepare students for God's call on their lives.

Welcome to a New School Year!

We are so excited to be starting a new school year! Last year, we taught 1258 students, and we are expecting to have well over 1300 students this year. We are grateful for the opportunity to have 417 students in our classes already for the first quarter this fall, and we cannot wait to see what the Lord is going to do in their lives, families, and schools! We are also thrilled to be opening two new CLCs during the second quarter this October; these CLCs will serve 5th grade students at Walker Park Elementary School and Walnut Grove Elementary School! We will also be seeing steel going up soon at our building site for the new LES/LMS CLC building; we are so excited about how the Lord is growing our program!
